Index to Public Utilities Reports

(This section of the magazine, which comprises the decisions, orders, and recommendations of courts and commissions, is too voluminous to be included in this index. These reports are published annually in their entirety, in five bound volumes, together with the Annual Digest; copies may be obtained from the publishers, PUBLIC UTILITIES REPORTS, INC., Munsey Building, Washington, D. C., upon application.)

PUBLIC UTILITIES FORTNIGHTLY

Subject Index

- ACCOUNTING,**
Amortization of expenditures for replacement and expansion, 101.

Spotlighting the farmer's pump, 222.

LABOR,

See also Employees.

Bell advertising irks CWA, 300.

Labor control legislation, 169.

Program of action, 118.

Public utilities under the amended Federal Wage Hour Law, 689.

The 5-day workweek fitting business with 7-day jobs, 344.

LEASES,

Sale and lease back of corporate property, 673.

LEGISLATION,

How about Federal propaganda and lobbying, 663.

"Liberal" economic program, 115.

Proposed amendments to Securities Exchange Act of 1934, 508.

Washington outlook for 1950, 3.

LOBBYING,

How about Federal propaganda and lobbying, 663.

MANAGEMENT,

Management responsibility emphasized, 251.

MAPS,

Federally financed power projects, 107.

Public power showdown in South Carolina, 271.

MERCHANDISING,

To sell or not to sell appliances, 156.

MISSOURI RIVER,

Development of river basin areas, 573.

MUNICIPALITIES,

See also Public Ownership.

Municipal ownership *versus* Federal power, 287.

NATIONALIZATION,

See also Socialism.

Partly accomplished fact, 475.

NATURAL GAS,

See Gas.

NEW BRUNSWICK,

Quoddy tidal power for New England and New Brunswick, 333.

NEW ENGLAND,

New England leading the procession, 568.

New England water-power facts augmented, 381.

Quoddy tidal power for New England and New Brunswick, 333.

NEW JERSEY,

New Jersey plan during era of economic change, 465, 549.

ODDITIES,

Public utility oddities, 416.

PASSAMAQUODDY,

Quoddy tidal power for New England and New Brunswick, 333.

PENSIONS,

Trust and pension funds may stimulate market interest in utility equities, 630.

PERSONNEL,

See also Employees; Labor.

Of Federal Power Commission, 142.

Workweek of five days fitting into business with 7-day jobs, 344.

PETROLEUM,

Products of petroleum and natural gas, 355.

PHONEVISION,

Commission approves phonevision tests, 301.

PIPE LINES,

March of gas transmission lines, 484.

Natural gas—everybody's darling, 275.

Why life insurance companies buy natural gas pipe-line bonds, 542.

PLANNING,

High price of public planning, 282.

PRESIDENT,

Closer presidential control of regulatory bodies, 496.

PRICES,

Effects of higher coal prices on utility earnings, 439.

Price levels as affecting depreciation accrual, 683.

PUBLIC UTILITIES FORTNIGHTLY INDEX

PROPAGANDA,

How about Federal propaganda and lobbying, 663.

PUBLIC INFORMATION PROGRAM,

Movement started by electric utility industry, 753.

PUBLICITY,

More "show shop" for utility companies, 150.
Public information program, 753.
Western utilities in promotion activities, 116.

PUBLIC OWNERSHIP,

See also Federal Government.
House Committee hears about SWPA contracts, 312.
Municipal ownership *versus* Federal power, 287.
NAEC strikes back, 639.
Nationalization, a partly accomplished fact, 475.
New power-marketing agency, 497.
Public power showdown in South Carolina, 267.
Quoddy tidal power for New England and New Brunswick, 333.
Welfare state in motion, 758.
Whether Federal and private power can live together, 705.

PUBLIC RELATIONS,

By-product public relations, 511.
Customer relations begin at home, 859.
Free trouble shooting as an opportunity, 617.
Management responsibility emphasized, 251.

PUBLIC UTILITIES,

Appliance sales by, 156.
Company construction to save taxes, 229.
Expansion of business-managed utilities, 249.
Management responsibility emphasized, 251.
Mid-century review and forecast forum, 114.
More "show shop" for utility companies, 150.
NAEC strikes back, 639.
Nationalization, a partly accomplished fact, 475.
Public information program, 753.
Public utility oddities, 416.
Sale and lease back of corporate property, 673.
Stronger opposition to utility socialization, 605.
Utility outlook and review, 49.
Washington outlook for 1950, 3.
Workweek of five days fitting into business with 7-day jobs, 344.

RADIO,

Color television ready, 563.
Commission approves phonevision tests, 301.
Stations have duty to give both views, 627.
Three dimensions achieved, 629.

RAIN,

Hydroelectric companies and rain making, 564.

RATE BASE,

Depreciation, deduction for, 822.

RATES,

Automatic utility rate plans, 441.
New Jersey plan during era of economic change, 465, 549.

REAL ESTATE,

Unusual real estate transaction announced, 236.

REGULATION,

Arguments against natural gas security regulation, 377.
Arguments for natural gas security regulation, 376.
Federal encroachment on local gas regulation, 13.
New Jersey plan during era of economic change, 465, 549.

REPLACEMENT,

Replacement cost and tax depreciation problem, 341.

RESTRICTIONS,

Restrictions on gas house heating lifted, 516.

RIGHTS,

Price of stock rights, 678.
What's being done about rights for utility stocks, 767.

RIVERS,

Big dam criticism, 248.
Missouri river basin, 573.

RURAL ELECTRIFICATION,

NAEC strikes back, 639.
REA-interior alliance, 298.
Speeches at convention of National Rural Electric Cooperative Association convention, 448.

RURAL ELECTRIFICATION ACT,

REA program for rural telephone loans, 531.

SAFETY,

Federal control of industrial safety, 497.
Safety training and techniques, 578.

SALES,

Sale and lease back of corporate property, 673.

SECURITIES,

Dividend policy of public utilities, 399, 696.
Financial news and comment, 40, 105, 173, 239, 303, 367, 439, 502, 564, 630, 696, 782, 850.
How to get the small investor interested, 69.
Methods of selling common stocks, 829.
Natural gas security regulation, 376, 377.
Price of stock rights, 678, 767.
Proposed new method of calculating coverage ratios, 370.

PUBLIC UTILITIES FORTNIGHTLY

SECURITIES—*continued*

- Stock purchase plans for employees, 422, 489.
